AHD BULLET CAMERA FIXED LENS - TVT86FAHD/3

Mini bullet Day&Night camera with 3.6mm fixed lens and waterproof case (IP66). The new CMOS Aptina sensor 1/3" of 3.1MP joined with AHD technology provides pictures of resolution up to 1080p and compatibility with coaxial cable cabling. The 2 IR array led's and removable ICR filter guarantee a good picture quality even in low light conditions. This camera can be even set for TVI signal output. For correct picture display and recording it is recommended to use video recorder able to support up to 3MP AHD signals. Product not available any more.
